2.	Jackson	WXK-66 162.550 MHz
3.	Waverly	WXK-62 162.400 MHz

Tennessee
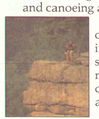
WE'RE PLAYING YOUR SONG

We're famous for our music, Blues, spirituals, and rock 'n' roll. But that's only part of the sweet music playing in Tennessee.

All over the state, we're playing the gentle sounds of rivers, lakes and mountain streams. There's no better fishing, hiking, camping, and canoeing anywhere.



And in our cities, we're playing the upbeat sounds of excitement in our night clubs, museums and theaters.

Use this map to find your favorite sights and sounds in Tennessee. Sports or symphonies. Uptown hotels or wilderness cabins. Mountain crafts or fine arts. City malls or general stores. Whatever beat you march to, we're playing your song in Tennessee.

Tennessee Welcome Centers

The Department of Tourist Development operates ten welcome centers on the interstate highway entrances to Tennessee. The centers are fully staffed and open 24 hours a day year-round.

The welcome centers provide a comfortable place to stop and stretch your legs, exercise your pet, or even spread out a picnic. Each center has lots of information on Tennessee's points of interest, and the hosts and hostesses will be happy to answer your questions. You can also book reservations directly from the welcome center to hundreds of participating hotels, motels, and campgrounds.

In addition, the department operates 20 rest areas along Interstates 40, 81, 24, and 75.
